

Dear Friend,

Christ is Victorious! In the old Gospel hymn “*Victory in Jesus*,” the lyrics of the chorus are: “Oh, victory in Jesus, my Savior forever. He sought me, and He bought me with His redeeming blood. He loved me ‘ere I knew Him, and all my love is due Him. He plunged me to victory beneath the cleansing flood!”

I doubt any of us would ever say we enjoy experiencing defeat in our lives. My friend, I pray that you remember it is because of our Savior's Resurrection over 2,000 years ago...

The Victory WAS, IS, and WILL BE Ours Forever!

The Panama City Rescue Mission (PCRM) has faced many challenges since Hurricane Michael in 2018, including the pandemic as well as an arson fire. Nevertheless, just like **Jesus rising from the grave**, we are emerging from the challenges. The already successful **Gateway Life Transformation Program**, and coming soon, a newly remodeled Men's Facility are a beacon of hope to the hopeless. We took a step back to remember, God has our organization exactly where He wants us.

The PCRM offer's people a new life in Christ, while receiving life-changing assistance in **Relationships, Health, Economics, and Housing**. Our program and strategic partners help people achieve self-worth, self-sufficiency, employment skills that assist in finding stable work, and transition to safe housing. It is truly a blessing to witness such spectacular outcomes.

Like no other season, Easter reminds us of lessons about sacrifice and the promise of a new life. Please give today and share in the triumphs of those who have risen out of desperate situations. Your generosity enables us to accomplish so much together.

Thank you for sharing in our ministry to restore hope and transform lives!

He is not here; he has risen! Remember how he told you, while he was still with you in Galilee: “The Son of Man must be delivered over to the hands of sinners, be crucified and on the third day be raised again.” **Luke 24:6-7**
