

Aliisa's Story

“The 20 years that I struggled with addiction and depression in comparison to the life I have today is night and day. Death to life.

Since coming to Bethel Village of Panama City Rescue Mission in May of 2019 God has done the following:

- God moved in the hearts of the prosecution in my multiple court cases and spared me a prison sentence.
- The day after my license was reinstated God gave me a vehicle.
- A temporary volunteer position at my church turned into full-time employment with benefits.
- I signed my lease and will soon be moving into my new home!!

Thank you God for hearing my cry for help and bringing me to this place of restoration.”

John 15:5

I am the vine; you are the branches. Whoever abides in me and I in him, he it is that bears much fruit, for apart from me you can do nothing.
