

So, he got up and went to his father. But while he was still a long way off, his father saw him and was filled with compassion for him; he ran to his son, threw his arms around him, and kissed him. Luke 15:20

Father's Day. The role of a father is to provide, protect, and guide the family. To have the family feel safe and comfortable. Our Heavenly Father gave us the gift of a direct relationship with Him through his son, Jesus Christ. Thanks to God's precious Son, we can all experience His unconditional love and forgiveness; just as the lost son did in the parable. ***It is reassuring to know there is nothing we can do to withhold His love!***

Yet, many children in our area, and throughout the country, grow up without the consistent presence of a father. Without a father in the home, raising children is very difficult. For both the fathers and their children. Without a father in the home, the family is four times more likely to live in poverty. **At Panama City Rescue Mission (PCRM) we see firsthand the devastating effects of fatherless homes.** Nine out of ten children experiencing behavioral disorders come from fatherless homes. Such a tragedy indeed.

The men in our community experiencing poverty and homelessness desperately need your help. **You make a difference in their lives!** We have endured many challenges in the last few years. Together, with God, we know all things have been possible. Suffering men are now receiving limited services from PCRM daily. **We give a special thanks to you!**

As it gets warmer outside, our homeless men need your help more than ever. This Father's Day, please consider a generous donation to help men in our community move from a life of suffering to flourishing. The PCRM Men's facility continues to need additional support to reopen fully to offer all services to men in need. ***We are grateful for your support!***

Since 1973, the PCRM has been committed to Christ-centered rescue, recovery, and restoration. Thank you for your continued support to help those in need. You can donate online by visiting our website at www.pcrmission.org and clicking on the donate button.

God bless,

Stephen Fett
