

RESCUE. RECOVER. RESTORE.

For many of the homeless, Thanksgiving is just another day without food or shelter. For struggling men, women, and children who experience homelessness and hunger in Bay County, **a meal at Panama City Rescue Mission often becomes their first step on a path to a life restoration.** As we gear up for Thanksgiving, we know just how important a meal can be. For our homeless neighbors, the season brings its own challenges—as the weather begins to change and more people find themselves without safe shelter or enough to eat, *more homeless men, women, and children come through our doors for a meal than at any other time of the year.*

Thanks to you, our generous donors, we gratefully announce PCR Mission is once again serving the evening community meal Monday through Friday from 4:00 PM to 5:30 PM.

This marks a significant milestone in our journey of recovery and restoration. Because of your generosity and the grace of God, PCR Mission has completed over \$600,000 in repairs and renovations to the Men's Facility. With a brand-new shelter, we are delighted to move to the next phase. To fully reopen all operations for men in our community. You will make this possible. The blessing of life transformation will impact many lives in our community.

This Holiday season the need is for staffing and operating expenses. As the temperature drops, men on the streets will be seeking a warm place to stay. Together, we can help them move from suffering to flourishing. Please consider donating generously to assist us in providing these critical services to those in need. Your faithfulness is appreciated by every person served in our community.

Since 1973, the PCR Mission has been committed to Christ-centered rescue, recovery, and restoration to break the destructive cycle of poverty and homelessness.

Do not be anxious about anything, but by everything in prayer and supplication with Thanksgiving, let your requests be known to God. Phillipians 4:6
