

*"He will turn the hearts of the **fathers** to their children, and the hearts of the **children** to their fathers." Malachi 4:6*

Every year in June we celebrate Father's Day. The role of a father in raising children, while different than a mother, is equally important. To provide, protect, and guide everyone in the family. To have the family feel safe and comfortable. Many children in our area, and throughout the country, grow up without the consistent presence of a father. Our Heavenly Father gave us the gift of a direct relationship with Him through his son, Jesus Christ. Thanks to God's precious Son, we can all experience peace that surpasses understanding.

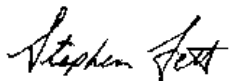

At Panama City Rescue Mission (PCRM) we recognize without a father in the home, raising children is very difficult. Did you know we have many single fathers in our community raising the children on their own? Even some that are experiencing homelessness. **Because of your generous support, we will be reopening our Men's facility in June.** The newly remodeled Men's facility, for the first time, will have rooms available for fathers and their children.

We have endured many obstacles. With God, all things have been possible. The suffering men will soon be able to experience the ***PCRM Gateway Life Transformation Program which has produced a 96% success rate*** of safely transitioning clients to a life of sobriety, stable employment, and secure housing. **We want to give a special thanks to you!** Thanks to your generous gifts and donations, those who come to PCRM can move from a life of suffering to flourishing.

As it gets warmer outside, our homeless men need your help more than ever. This Father's Day as you celebrate all the wonderful Fathers who have been so very important in their children's lives, ***please remember our Heavenly Father, the one who gave it all for you!***

Since 1973, the PCRM has been committed to Christ-centered rescue, recovery, and restoration. Thank you for your continued support to help those in need. You can donate online by visiting our website at www.permission.org and clicking on the donate button.
