

Easter is a season of celebration! Through the resurrection of Jesus, we receive hope that allows us to live a life with great expectation of what is to come, in this lifetime and throughout eternity.

**“The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly.” (John 10:10 NKJV)**

People who come through our doors have found themselves in hopeless situations. Your support provides a message of hope. This Easter, they can experience new life! A life of expectation knowing that Jesus’ sacrifice and resurrection is enough for them to move forward from their previous life. Thank you for being a part of our ministry to **Rescue, Recover, Restore.**

We are thankful God chose us to be a part of the transformative work He is doing in the lives of those who come to Panama City Rescue Mission. Because of your generosity, it is possible for those in our community to move from suffering to flourishing.

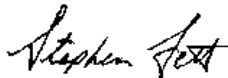

It is encouraging to see the transformation take place in the lives of those we serve. We pray you are encouraged and renewed knowing you play a major role in sharing everlasting hope with the hopeless. Thanks to caring friends like you, this Easter will be a time of rejoicing for those who have already found new life and a time of expectancy for those yet to encounter the hope we have in our resurrected Savior.

**Thank you for being part of Christ’s resurrecting work here at Panama City Rescue Mission!**

*“Now may the God of hope fill you with all joy and peace in believing, that you may abound in hope by the power of the Holy Spirit.” (Romans 15:13 NKJV).*
