

Ms. Carrie Watson

Imagine being in a situation of being a single mother of a 4-month old, and a 4-year old child, with no place to live. The father of your children is serving time in prison. Your life of drugs now brings homelessness into your reality. Every day, wondering if you'll be able to once again feel safe and call a place home. One day, you make a decision to change those circumstances. And because of that, things become brighter, and hope is restored. Until finally, there is peace in your heart again.

This is the story of how Ms. Carrie Watson found herself at Panama City Rescue Mission's (PCRM's) Gateway Campus for Women and Children. She never imagined she would end up in a homeless shelter. Carrie applied and was admitted into our Gateway Life Transformation Program.

PCRM assisted her in obtaining documents for employment and placed her with one of our Employment Partners. She received budget counseling and assistance in applying for housing. Carrie and her children were able to move into a nice home and has become a successful citizen in our community. God truly blesses the Women that enter our doors.

Thanks to generous donors like you, families like Carrie and her children receive the care and help they need to get back to being fully successful in Society. We are grateful for your continued support.

Since 1973, the Panama City Rescue Mission has been committed to Christ-centered rescue, recovery, and restoration in an effort to break the destructive cycle of poverty and homelessness.
