

Because of YOU, the Panama City Rescue Mission (PCRM) has a new story. Your generous support has allowed suffering people in our community to receive the Love of God through Jesus Christ. It may be addiction, mental illness, job insecurity or homelessness. I know you have compassion for those facing seemingly insurmountable challenges. A hand up is all they need. You understand how important it is to help others in our community. As a partner with PCRM you understand what the problem really is. People need a new path. A path to a life of sobriety, safety, and stability. They need transformation. And they need support to achieve a new life. **I hope you are as concerned about this as I am.**

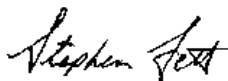

In the first year of the **PCRM GATEWAY Life Transformation Program**, an amazing **96%** of people have safely transitioned to a life of **sobriety, stable employment, and secure housing**. You made that possible. You are the reason over 150 people are now flourishing. Enjoying a transformed life. Have become independent contributing members of our community. Because of you, people are restored through the **Program Gates of Relationships, Health, Economics, and Housing**. Only because of your participation and support, is this possible. You are aware people in our community need your help now more than ever. Your support is critical. The men's facility has been closed nearly a year due to an arson fire. Services and programs have been limited to women and children. The remodeling project is nearly finished, and we are looking forward to once again serving the daily evening community meal, as well as giving men the opportunity to experience life transformation.

As the Fall weather approaches, many more Men, Women and Children will be seeking food and safe shelter. Even when full, we will **never** turn anyone away during severe weather conditions. We anticipate we will stay well above our capacity. **When you donate generously this season, you provide critical services to those in need.** You have been a terrific longtime supporter of the PCRM, and with great appreciation we want to thank you for transforming lives in our community.

Since 1973, the PCRM has been committed to Christ-centered rescue, recovery, and restoration to break the destructive cycle of poverty and homelessness. To donate online, please visit our website at www.pcrmission.org and clicking on the donate button.
