

RESCUE. RECOVER. RESTORE.

---

If you are like me, you might be wondering how we can help more people in our community move from suffering to flourishing. **You have shown** that you believe an environment where the love and compassion of Jesus Christ heals and equips people to be successful in overcoming life's adversities. You understand how important it is to help people transform their lives. **Because of Your Generous Donations**, the Panama City Rescue Mission (PCRM) GATEWAY Life Transformation Program is changing many lives.

As a supporter of PCRM, you understand what the problem really is. When people are given the opportunity to choose a different season, and do the work to change their life, they will soon need a telescope to see how far they have come. Maybe there was a time you decided to change something in your life. Possibly a change in your relationship with God or others. Because of your decision, a new direction, a new season, and new fruit were the result. You are aware the **People You are Helping** are changing the direction, season, and fruit in their lives.

**I know You Agree** with the purpose of PCRM, which exists to provide the envisioning, education, training, guidance, and representation for people striving to move from destitute conditions or desperate situations of human suffering to human flourishing through the process of gospel powered life transformation.

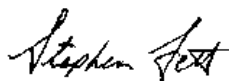

**You share a passion for helping people succeed.** Your empowering partnership with PCRM has resulted in 96% of Clients at the GATEWAY Women and Children's Campus have safely transitioned to a life of sobriety, stable employment, and secure housing. Because of **Your Ongoing Support**, the GATEWAY Campus for Men will be re-opening soon. **Now, more than ever**, your generosity will provide the same opportunity for men in our community to change their lives.

In this season and in this time, **YOU** are in a unique position. **YOU** can dramatically change a person's life. I hope you are as concerned as I am about helping suffering people. With your loving prayer and donations, they can live a life of restored relationships, health, economic stability, and safe housing.

**Because of Your Generous Donations, the PCRM continues the commitment to Christ-centered rescue, recovery, and restoration to break the destructive cycle of poverty and homelessness.**

**"To everything there is a season and a time for every purpose under heaven." Ecclesiastes 3:1**
